

KIMBERLY SAYER

OF LONDON

Made With Certified Organic Ingredients

About Kimberly Sayer:

As the daughter of organic gardeners, skincare expert Kimberly Sayer was raised using skincare remedies created with the finest ingredients from her family's garden. These earthly ingredients were gentle, yet effective -- delivering results without the use of harsh chemicals.

From this experience, Kimberly derived her mission to create an affordable yet effective, pure and high quality skin and bodycare line formulated to address the individual needs of women and men around the world.

Dedicating her life to the study and practice of organic skincare, Kimberly sought to deliver the same high quality standards and purity found in the products from her upbringing.

When developing her product line, Kimberly researched organic farms and homeopathic chemists around the world to find only the highest quality ingredients and formulations. As a result, her Kimberly Sayer of London products are safe, effective and of the finest quality available. They are created without the use of petrochemical solvents to deliver results safely and responsibly.

Kimberly Sayer of London products gently and effectively cleanse, tone, moisturize, exfoliate, protect and address the visible signs of aging. Through her website and private practice, Kimberly educates her clients on the topic of good skincare, creating personalized regimens for beauty both inside and out.

CLEANSING: Clean Skin is the foundation of a healthy skincare regimen

GENTLE FACE CLEANSER

For Dry, Sensitive and Normal Skin

This gentle, creamy cleanser with a base of Soy, Seaweed and Lavender Oil removes surface impurities and deep cleanses clogged pores. Gentle enough to remove eye make-up, without irritation. The wonderful, fresh aroma leaves skin feeling clean and refreshed.

BENEFITS

- Soy works like a sponge to draw out deep-seated oil and impurities
- Lavender Oil balances and restores the skin
- Unlike many cleansers, this product will not disturb the skin's natural PH level
- Removes all make-up and surface impurities
- Use twice daily

5oz/150ml

LIGHT CLEANSING LOTION

For Oily and Acne Prone Skin

This light cleansing lotion contains Soy Protein and Essential Oils including Lemon Oil, to decongest the cellular tissue and minimize oil production, while balancing the skin's natural PH level. Gentle enough to remove eye make-up, without irritation. It deep cleanses the skin for a clean, clear complexion.

BENEFITS

- Thoroughly cleanses clogged pores
- Balances skin's PH level, creating less oil and diminishing shine
- Oat Beta Glucan protects against UVA oxidative stress and reduces inflammation caused by acne
- Removes all make-up and surface impurities
- Use twice daily

5oz/150ml

TONING: Balancing the PH level of the skin is essential for healthy skin

ORGANIC LAVENDER TONER

For Dry, Sensitive and Normal Skin

Specifically formulated for skin prone to sensitivity and dryness, this gentle toner contains only purified water and the finest, steam distilled organic Lavender Flowers harvested in Northern California. It is ideal for hormonally imbalanced skin and for skin exposed to harsh elements such as heat and pollutants. To eliminate or reduce redness and irritation resulting from Rosacea, apply to damp cotton pads and place on the affected areas for 15-20 minutes.

BENEFITS

- Naturally balances PH level in the skin
- Ideal for dry, sensitive skin and for individuals suffering from Rosacea
- Instantly removes redness and irritation from the skin
- Use twice daily

5oz/150ml

BOTANICAL ASTRINGENT

For Oily and Acne Prone Skin

Ideal for oily and blemish prone skin, this botanical astringent contains Essential Oils of Tea Tree, Chamomile and Geranium to deep cleanse the skin and dry up acne and blemishes, without overdrying the skin. Minimizes enlarged pores and diminishes oily surface shine by calming overactive sebaceous glands.

BENEFITS

- Thoroughly cleanses clogged pores
- Tea Tree Oil works as a natural antiseptic to deep clean the skin, dry out acne and blemishes without irritating the skin
- Chamomile gently calms overactive sebaceous glands
- Geranium minimizes oil production
